**Duration and extend of studies**
6 semesters (regular period of study) with 180 ECTS credits

**Tuition fees**
The RUB does not charge tuition fees. However, a semester contribution fee of approx. € 315 must be paid before the start of every semester. The semester contribution includes the so called „NRW-Ticket“ that allows you to use all public transport systems in the state of North Rhine-Westphalia.

**International perspective**
- 24 ERASMUS partner universities in 11 European countries
- cooperation programs with universities in China, Australia and the USA
- spring and summer school in Bochum and Shanghai
- semester abroad as freemover

**Start of studies**
Winter and summer semester

**Application period**
- summer semester: beginning of December until January 15th
- winter semester: beginning of June until July 15th

**Application deadline for higher semesters**
- summer semester: March 15th
- winter semester: September 15th

**Admission requirements**
University entrance qualification

**Admission**
The admission is restricted according to grade ("Numerus clausus", based on the average grade)

**Online application**
- via www.hochschulstart.de and
- Ruhr-Universität Bochum's online application system: https://bewerbung.uv.ruhr-uni-bochum.de/

**Pre-course in mathematics and financial accounting**
The pre-courses are addressed to all freshmen
- for winter semester: pre-course in mathematics
- for summer semester: pre-course in financial accounting is recommended
