Registration for the Moodle course

1. All scripts, videos, exercises, R program files and other materials are available in the Moodle course.

2. The tutorials will be held as live Zoom sessions. Session links will also be provided in the Moodle course.

3. Additional important information will be distributed through the Moodle course as well.

4. It is therefore very important to register for the Moodle course.

5. In order to register for the Moodle course, you need the following password:

   eigenvalue21

6. Registration in Moodle is open from October 22, 2020 until December 1, 2020, 23:00.

7. If you have general questions about the course, please post them in the according forum (at the top of the Moodle course).
